

Dear Asbury friends,

You have been very generous during the food drives that we have held for Holliman School. The first one was last fall and then another one this spring. The students from Pilgrim High School come together to arrange a food pantry at Holliman, package food for several families and then deliver the groceries. We have been contacted once again to see if we can continue our giving to this food pantry throughout the summer months. There are two young men who are willing to maintain this food distribution even while school is not in session. We know that there are many families in our neighborhood who are struggling financially. So, we are asking that whenever you go to the grocery store, that you purchase a couple of extra items and bring them to the coffee room. From there, we will make deliveries to the pantry at Holliman. We are not a big church, but we can certainly make a big difference in the lives of the families in Warwick. The list is small. The impact will be big. Thank you for all you do every day being the hands and feet of Christ our Lord.
