Mother's Day 2021

My Mother's Love

Joy Belle Burgess

Through the endless years of time,
Her love will always be
A citadel of quiet strength.
A pool of deep tranquility.

A fount of wisdom in the day,
A shining star in heaven's night,
The lambent flame of mother love
That guides my stumbling feet aright.

A place of refuge for the heart
Wen the skies have turned to gray;
A Loving smile and warm embrace,
A prayerful thought to light my way.

A love that always stays the same
And forever blesses me;
As timeless as eternity,
My mother's love will always be.
